

A SMALL GESTURE OF GRATITUDE FOR WHAT YOU ARE DOING

Workers from Health Services, Social Care, Emergency Services and Armed Forces have played a crucial role in fighting the COVID-19 pandemic which has impacted the lives of so many people globally. While many of us are being told to stay at home, these workers have a responsibility during the outbreak to continue serving, potentially putting their lives in danger through contracting COVID-19.

To show our gratitude for their heroic service, Innuos has designed the **"SAVE UP TO 20% FOR FRONTLINE HEROES"** promotion with many of our participating dealers, to help ease the stress and provide some much-needed relaxation during their time off from the front lines.
